The Power of Teams

One of the central themes in Katzenbach and Smith's work is the transformative power of teams. They argue that teams are the fundamental building blocks of organizational success, surpassing individual effort in generating innovation, productivity, and morale.

Key principles include:

- **Small Size:** Effective teams typically consist of 5-10 members, allowing for better communication and collaboration.

- **Complementary Skills:** Members bring diverse skills that complement each other, fostering innovation and problem-solving.

Leadership as a Dance, Not a Command

In *The Dance of Leadership*, Katzenbach and Smith introduce a nuanced view of leadership. They challenge traditional hierarchical models, proposing instead that effective leadership involves a dynamic, reciprocal process—a "dance"—between leaders and followers.

Key ideas include:
